New Horizon Public School · Bangalore , India · 2020 · 90%

## PROFESSIONAL SKILLS

Languages: Python, C/C++

UI/UX - Figma , Flutter

Hardware - basic experience with Arduino UNO and Nano

## CERTIFICATIONS

### INGENIOUS 11.0

PES University · 2023

My team and I participated in INGENIOUS 11.0, a hackathon centered around open-source projects, where our primary focus was on solving open source related problem statements. As part of the FOSS track, we contributed to a few open-source repositories. Our efforts led us to secure the second runner-up position in the FOSS track.

### Figma and Flutter basics workshop

PES University · 2022

Developed a food recipe app which was prototyped with Figma and was supported with Flutter

## PROJECTS

### Modern Art Generator

PES University · November 2022 - January 2023

- Generating modern art using python
- we used Matplotlib and Perlin Noise libraries to generate random art
- we also used turtle to form random shapes and generate art

## EXTRA CURRICULAR

### Bharatanatyam

Completed Bharatanatyam with a Junior Diploma

### Sports

Played school level Tennis and Volleyball
